

image making project

Billiards

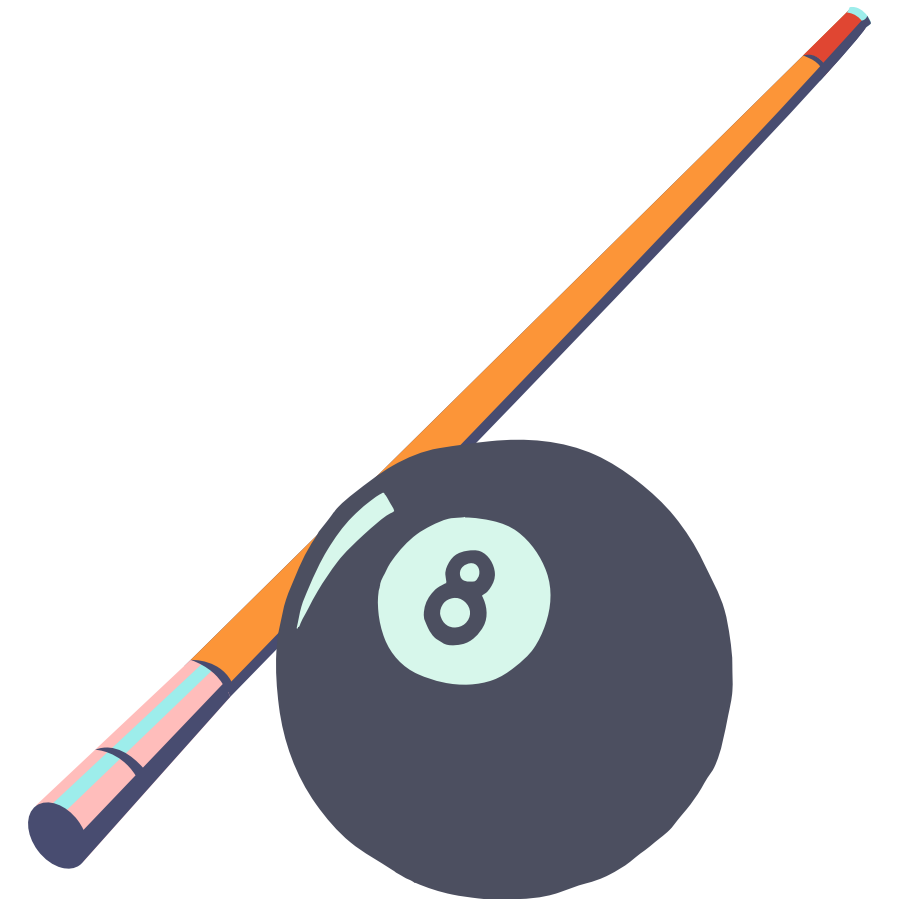

Avalynn Kim

keyword: Billiards

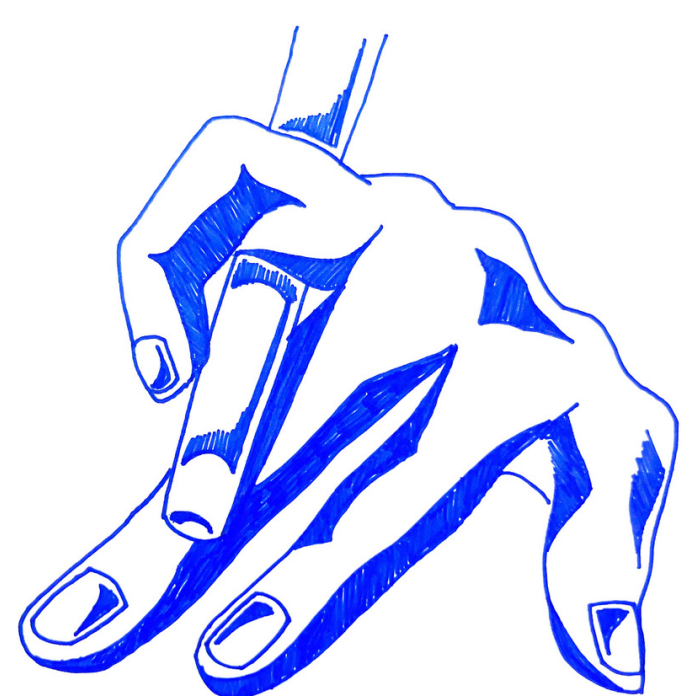

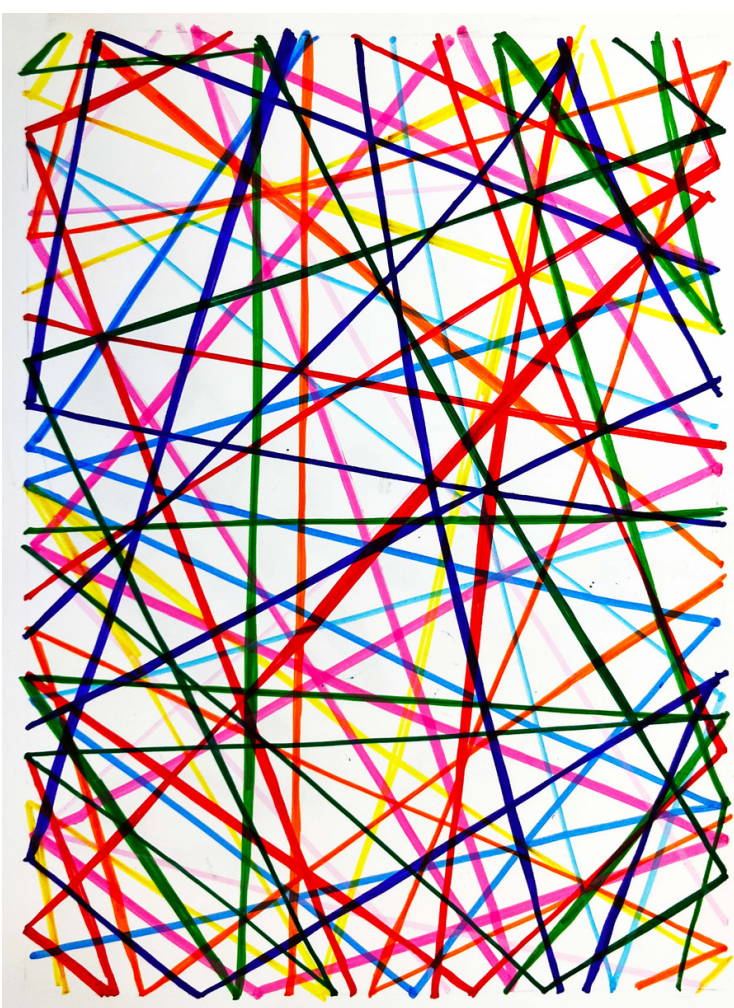

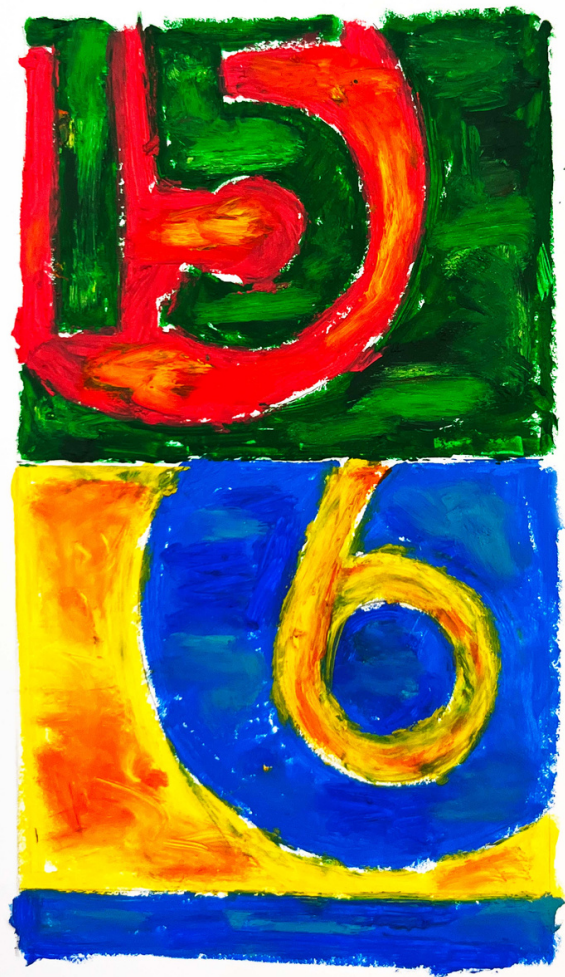

This project is based on the word "*Billiards*".

I created 100 images that include handmade, photography, and digital pieces that are related to my keyword.

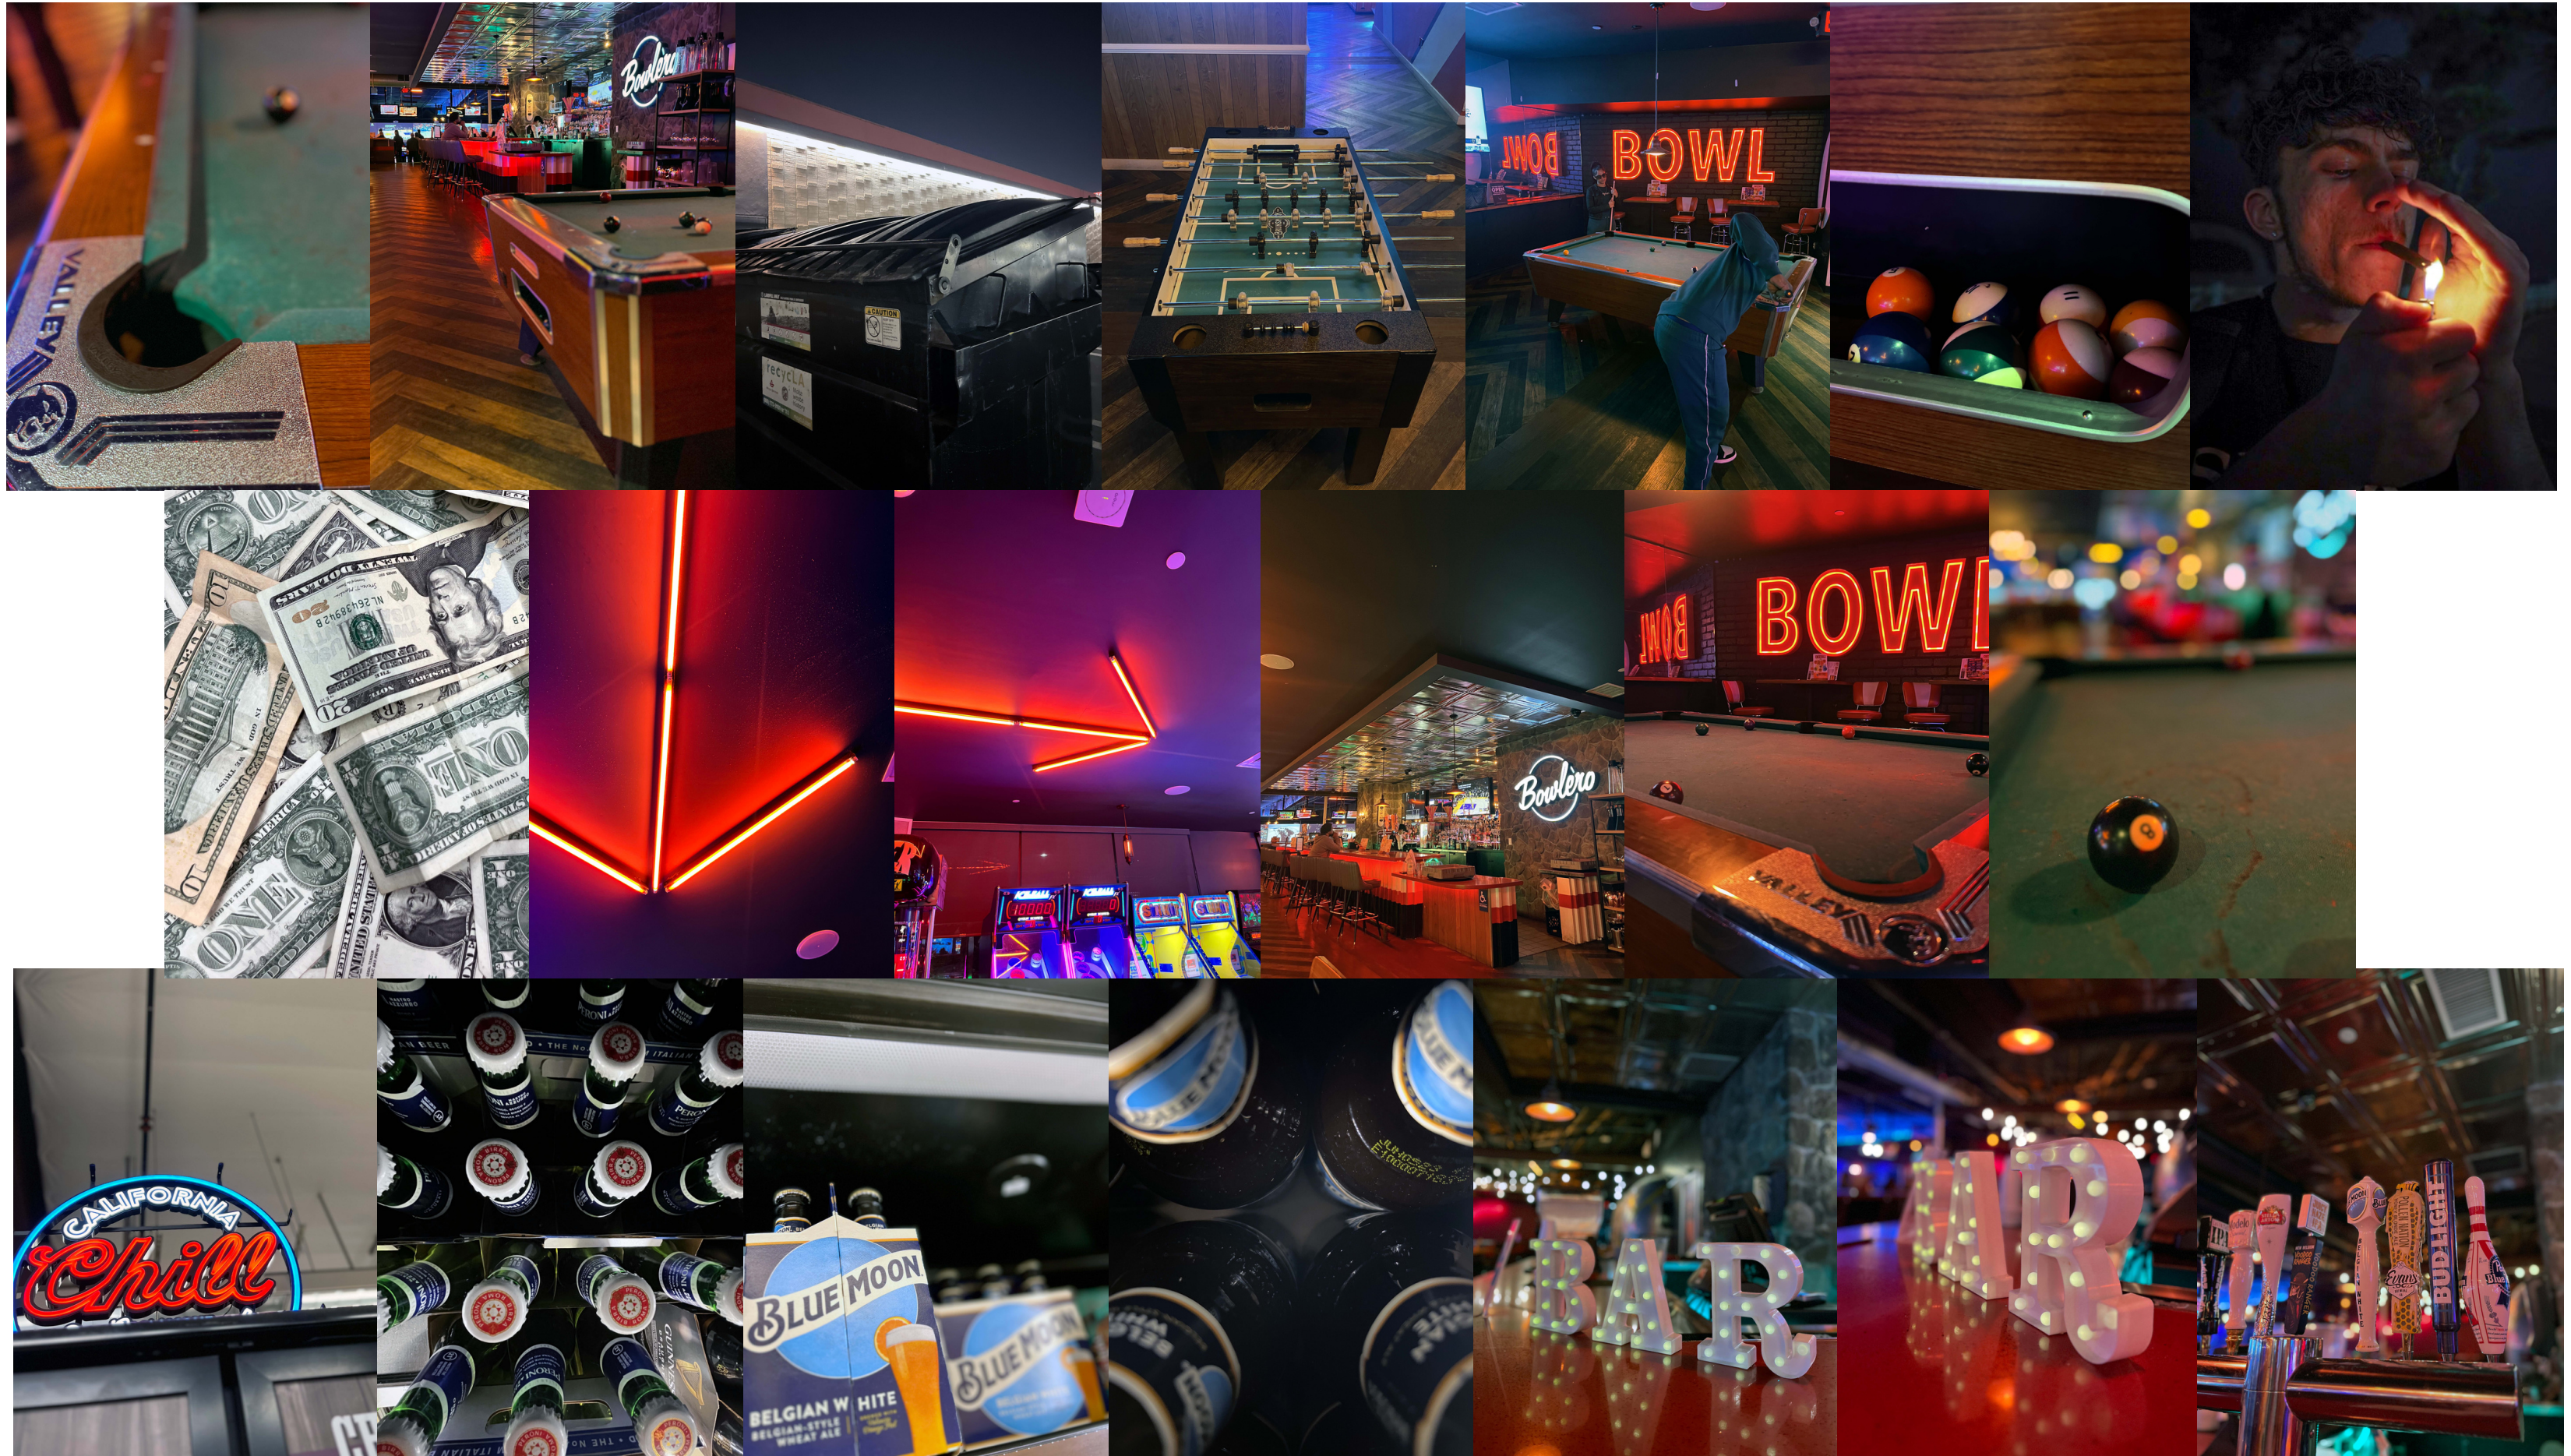

My goal was to explore mixed media and see how creative I could be using only one keyword.

10 images (handmade)

20 images (photography)

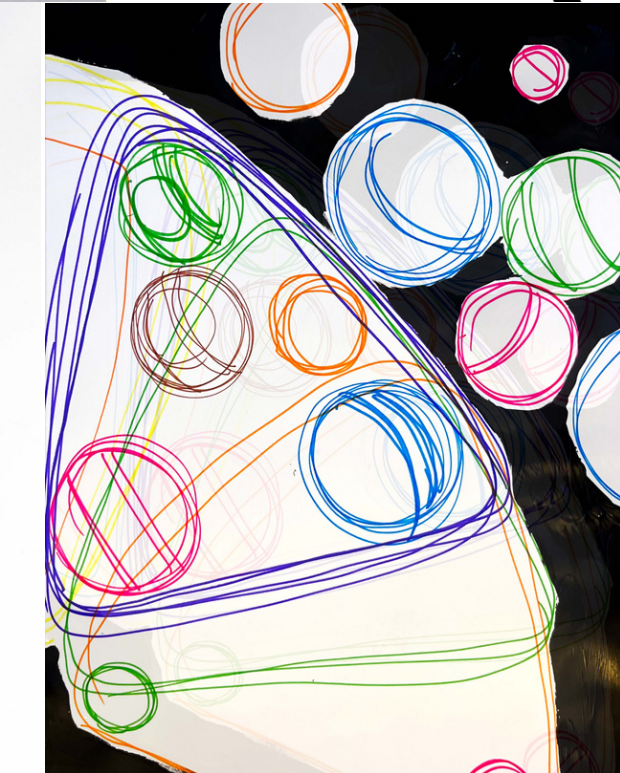

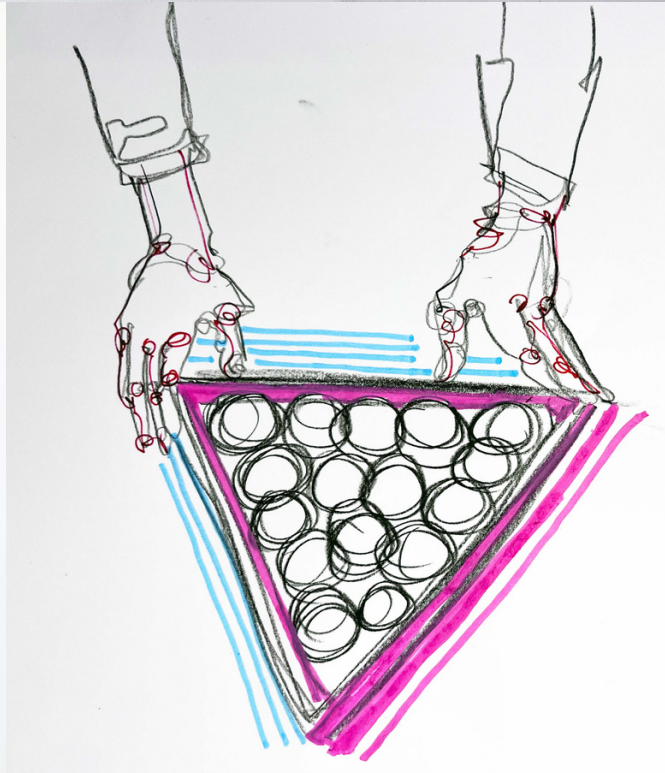

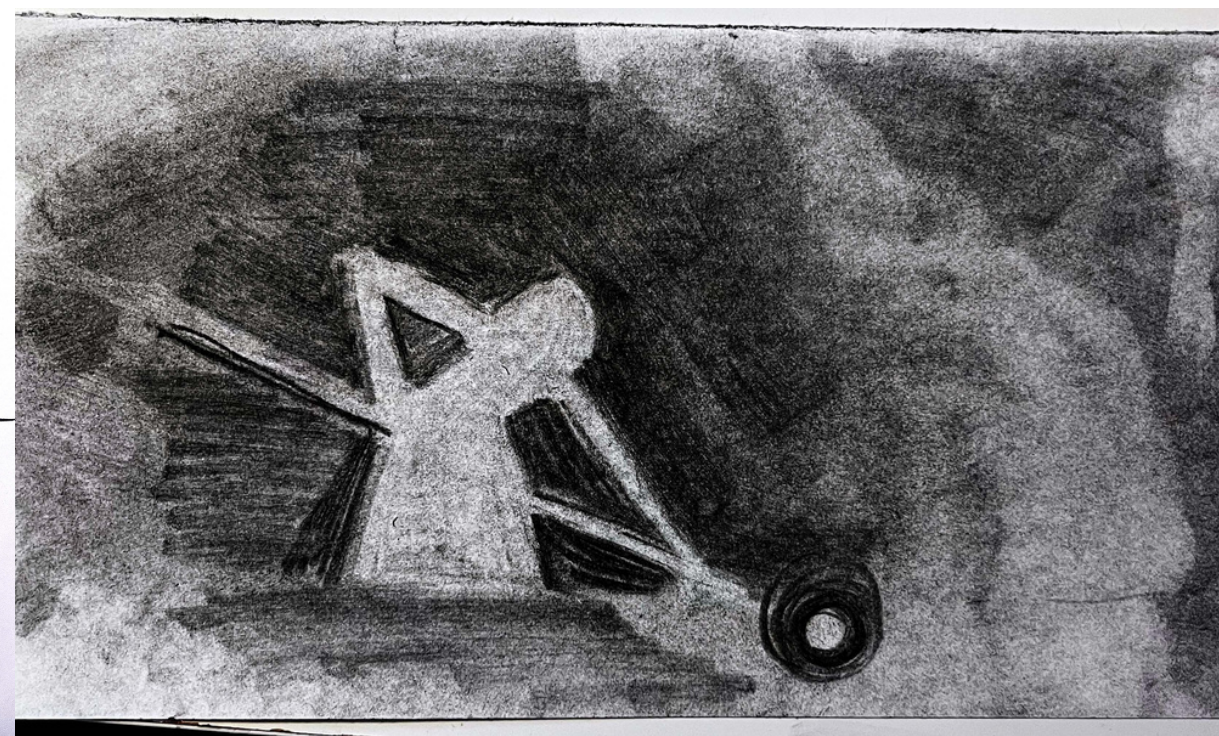

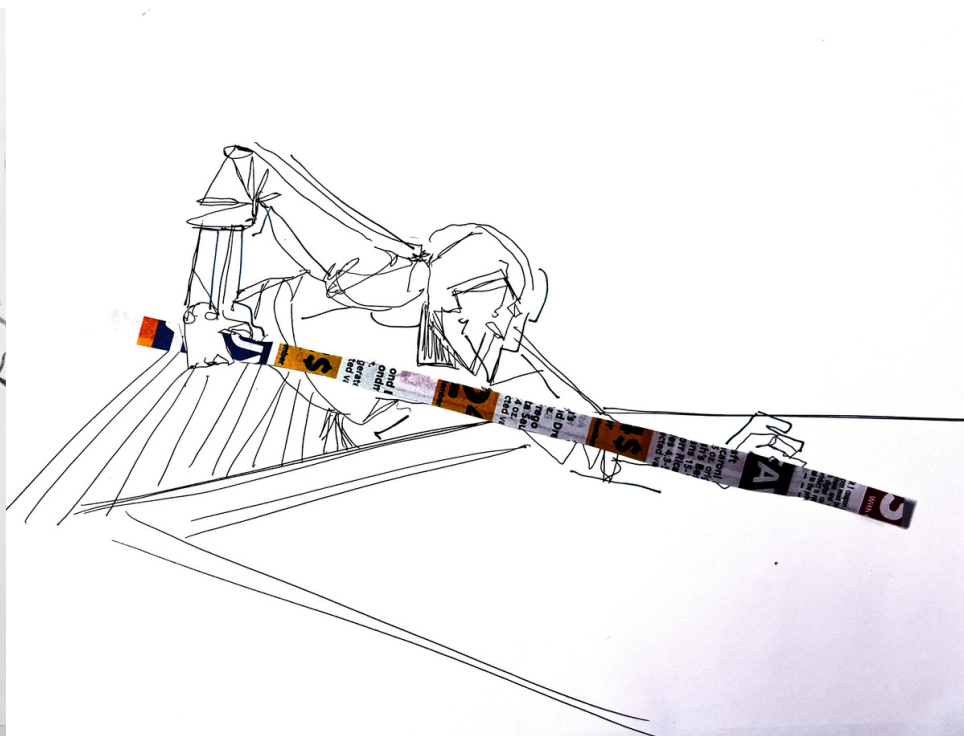

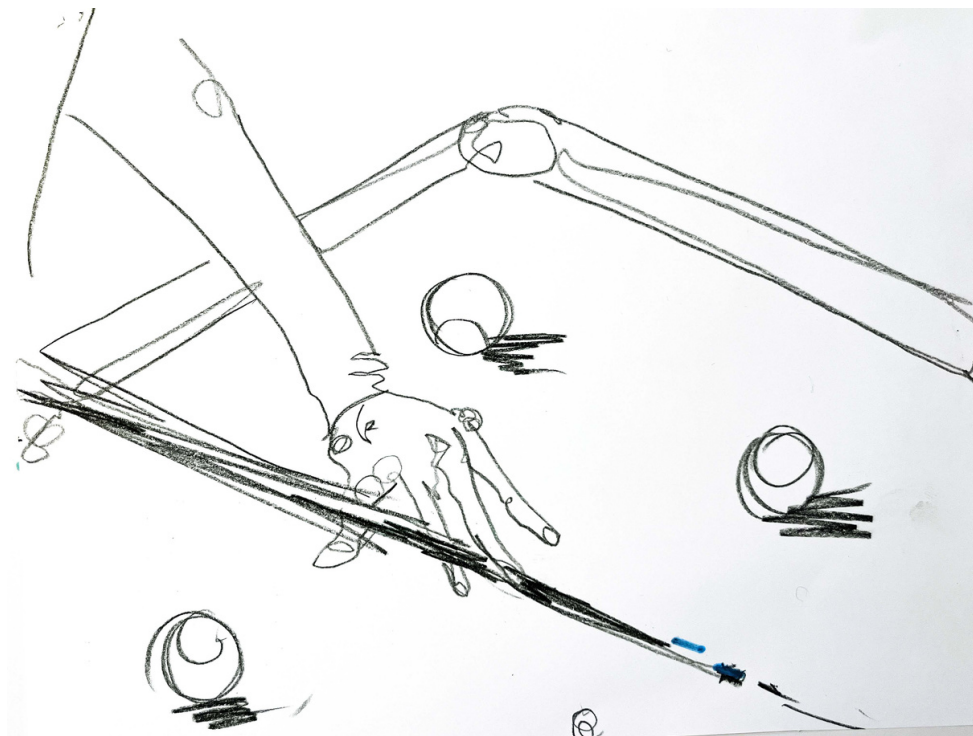

20 images (digital art)

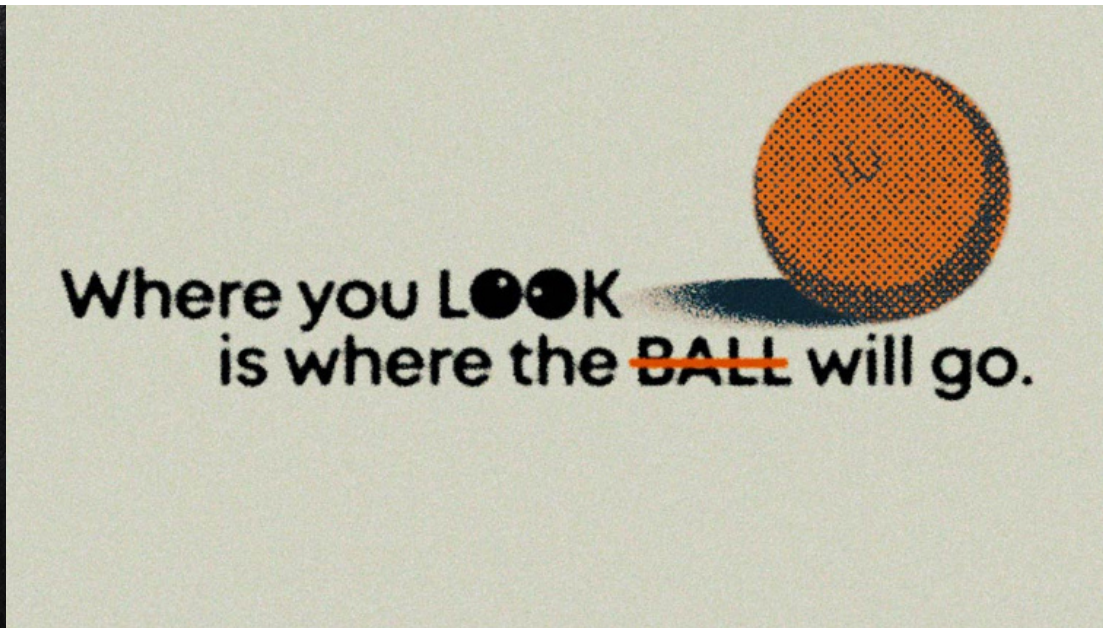

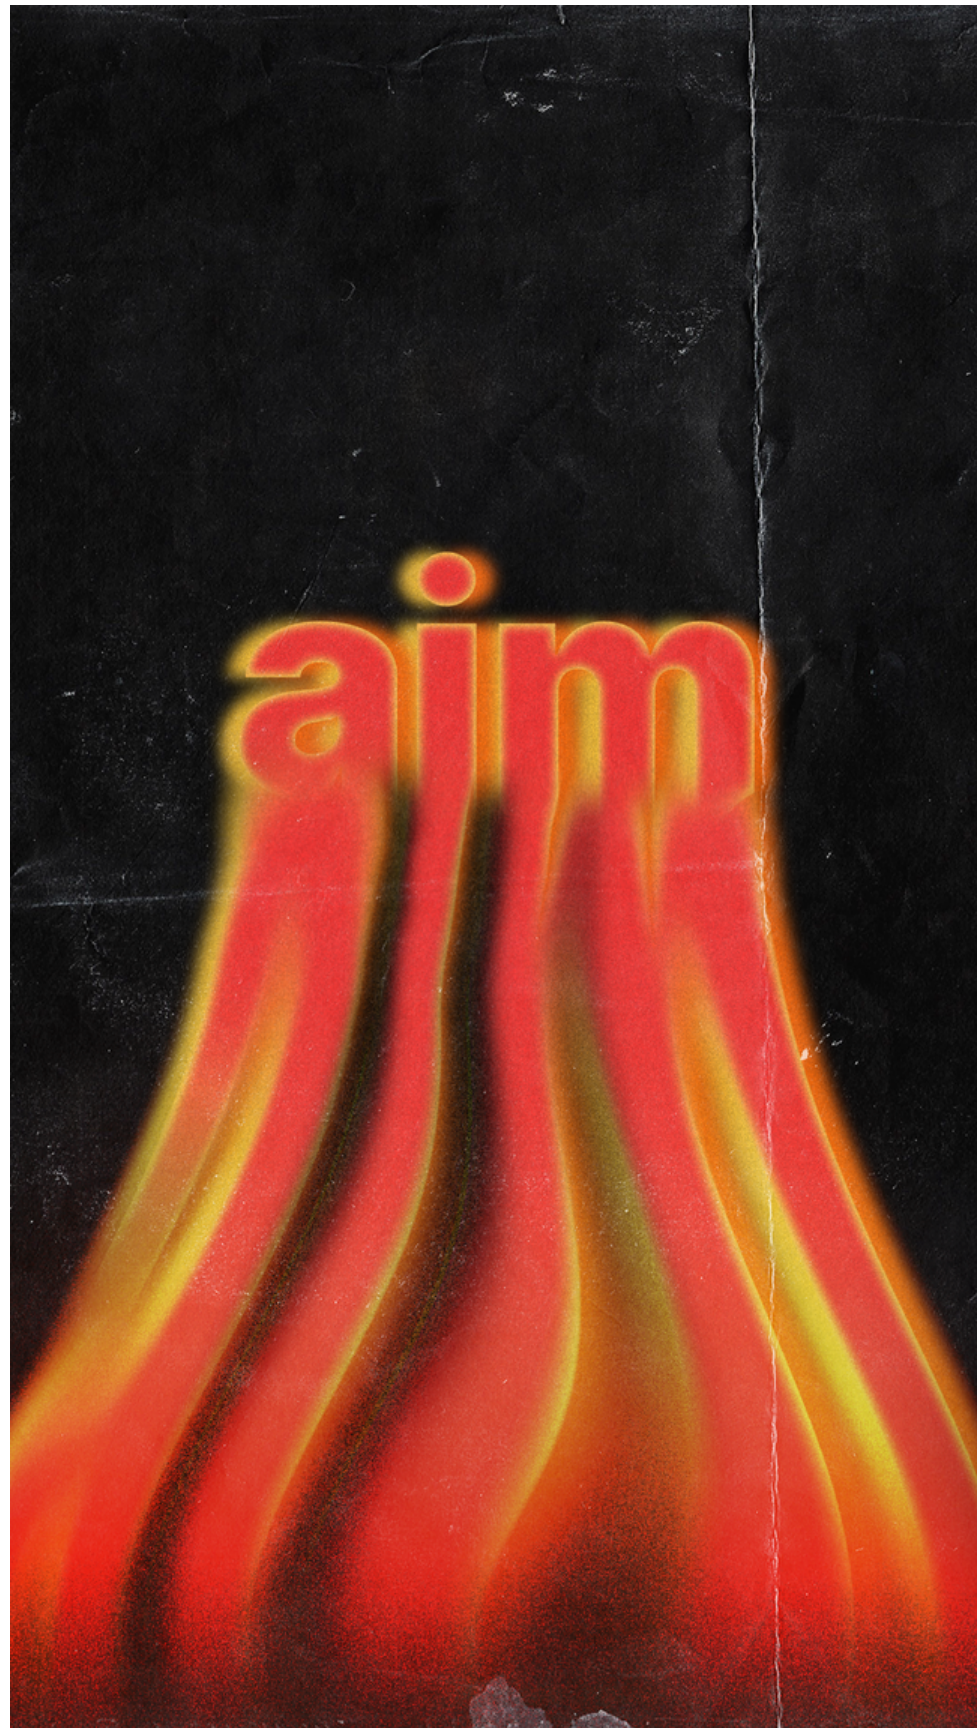

10 images (digital art)

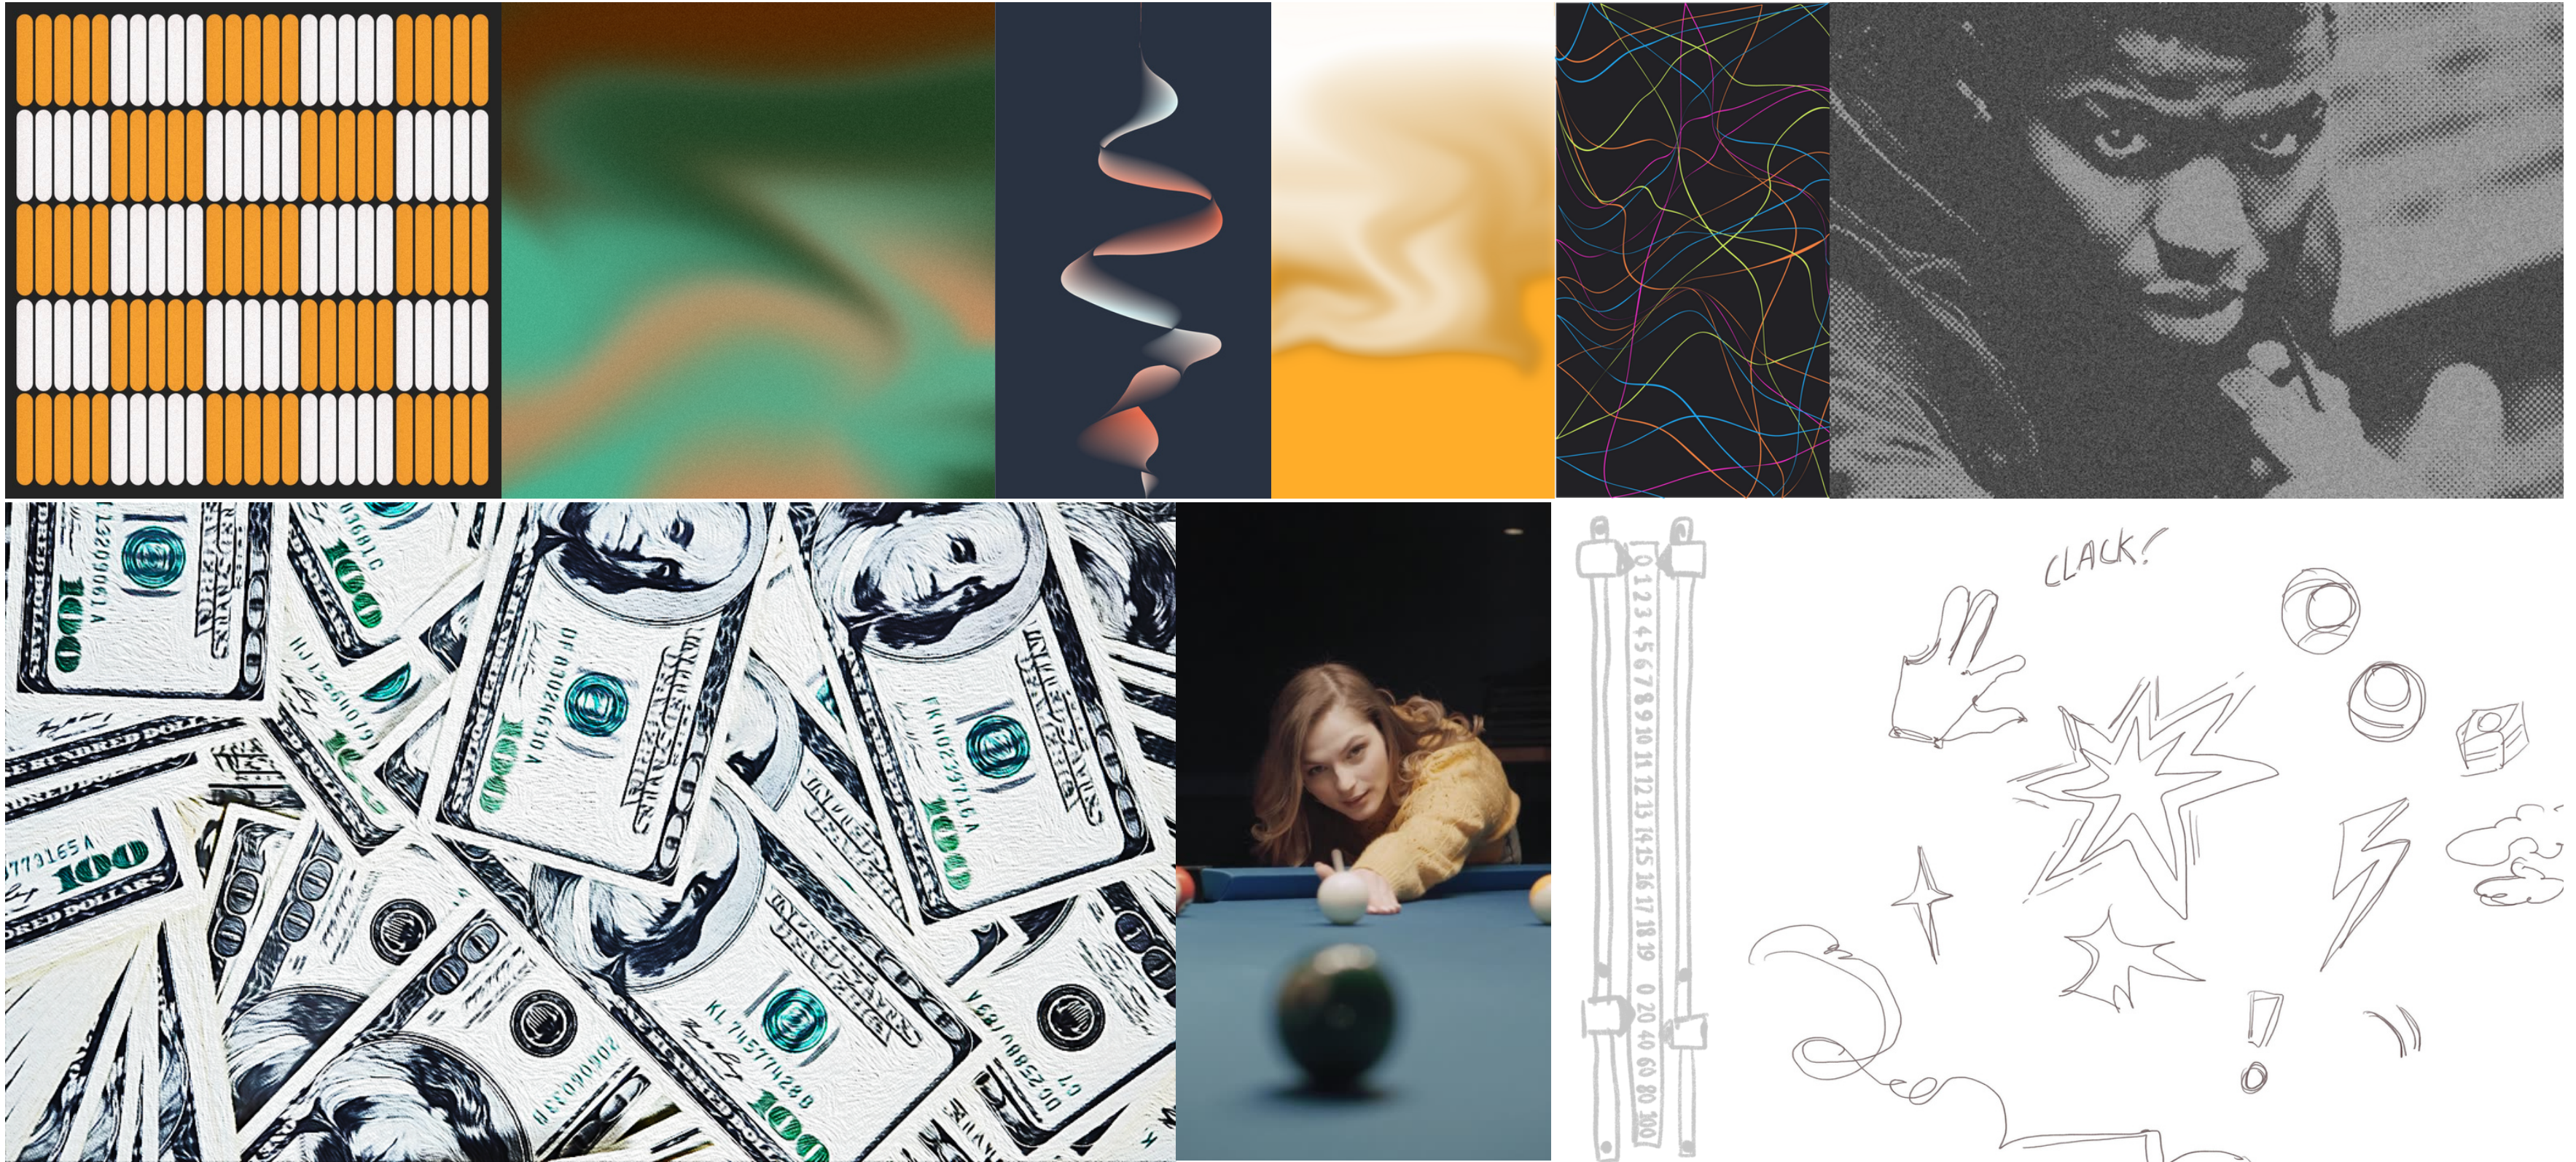

10 images (handmade)

| 5 typography

10 images (additional)

20 images (additional)

Thank you

Avalynn Kim
